ch&l the list

Top Builders

We honor Colorado's talented builders, the intrepid craftspeople working rain or shine and bringing you the beautiful homes seen in *Colorado Homes & Lifestyles*. The list was compiled from recommendations from photographers, designers, homeowners and our staff. Also, firms featured in *CH&L* from 2022 to present are listed with the issue date of their story. Businesses that have been featured in *CH&L* but are based outside the state appear at the end of the list. For firms that have multiple locations, we feature the address of their main office.

RA Nelson gutted and remodeled this 5,200-square-foot penthouse in downtown Aspen for a family from New York City—transforming a home built in 2012, with dated Swiss and alpine accents, into a NYC-mod showstopper.
